

A steadier line starts on paper.

Pencil or pen only. A drawing exercise, not tattoo-machine instruction.

Date: _____ Tool: _____ Session: _____

01 Land on the endpoint

Join each pair in one stroke. Repeat beside it. Compare, without retracing.

02 Keep the curve continuous

Follow the curve once, then draw your own version in the empty space.

Your versions

03 Repeat a simple shape

Draw a small circle inside each frame. Aim for a similar size, not speed.

Notice one thing. Choose one next step.

Which stroke felt most controlled? _____

What will you change next time? _____

Keep this sheet to compare with your next session. This is not a competence assessment.
