

Compare tattoo training

CANADA / A TWO-PROVIDER WORKSHEET

Record what each provider states or confirms. Leave unknowns blank and use them as questions.

My learning goal

Style or skill, current experience and time available to practise

WHAT TO CHECK	PROVIDER / COURSE A	PROVIDER / COURSE B
Lessons for my goal Named lessons or styles and a lesson example.		
Practice and feedback Assignments, submission format and tutor contact.		
Equipment and timing What I need to obtain and when it is needed.		
Full purchase cost Currency, taxes, the complete payment route and extras.		
Access and certificate Access terms, completion requirements and certificate scope.		
Questions to confirm What is still unclear? Record the provider's reply.		

Source page / provider reply and date checked

A:

B:

Compare the complete purchase option, not only a starting instalment. Keep equipment and other costs separate. A course certificate records training; check workplace and local requirements before planning client services.
