PMU Startup Quote Planner

Build one plan from current quotes. Keep setup, monthly and per-booking costs separate.
Use C = confirmed, P = pending, N/A = not applicable. An unknown amount is not zero.

Currency: _____ Planning date: _____ Proposed services: _____

1 One-time setup

Cost item and scope	Amount	Quote source + date	Status C/P/N/A
Training + required practical development			
Compatible equipment + initial supplies			
Premises work after requirements confirmed			
Applications / inspections, if applicable			
Client records / booking setup			
Other setup costs			

2 Monthly running costs

Cost item and scope	Amount	Quote source + date	Status C/P/N/A
Insurance + premises / studio commitments			
Software / records / booking services			
Cleaning / waste / utilities			
Other recurring commitments			

3 Costs attached to one booking

Cost item and scope	Amount	Quote source + date	Status C/P/N/A
Consumables + products used			
Payment / booking fees			
Follow-up materials or other variable costs			

Confirmed subtotals - keep each time period separate

One-time setup _____ Per month _____ Per booking _____

Unpriced items / the next question to resolve:

Total confirmed quotes only. Review missing costs before committing to purchases or a launch date.
