

Tattoo licensing enquiry record

Record what the authority requires for your location, service and work setting.

Use short notes or reply references below; keep the written response with this record.

Country / state or province / town

Enquiry date

Proposed service(s)

Premises / address / work setting

Authority / named contact

Reply date / reference

01 Approvals and responsible bodies

Which approvals cover me as an artist, my premises and my business? Who issues each one?

02 Training and assessment evidence

Which courses, qualifications, apprenticeship or observed assessments will you accept?

03 Health and safety training

Which BBP, infection-control or first-aid evidence and refresher dates apply?

04 Premises and ways of working

What applies to my studio, shared space, home, mobile work or guest / temporary setting?

05 Hygiene and client records

Which facilities, sharps / waste arrangements, consent and recordkeeping must I document?

06 Application and inspection sequence

Which forms, documents, fees and inspections apply? What must happen first?

07 Starting work and future changes

When may I start, what conditions apply, and what renewals or changes must I report?

Unresolved questions / next action / follow-up date

Your planning notes - this is not an application or an approval.
